

INTRODUCING OUR GAME OF LIFE MUM & SON ADVENTURE CAMPS

Introducing our Game Of Life Mum & Son Adventure Camps at Redland Bay, Queensland, Gosford, New South Wales and Macedon, Victoria.

They are far more than camps. They're places that can change lives. Designed to build a deeper connection with your son.

Our fun and thrilling sessions and activities are focused on unleashing your family's potential, created with leading health and wellness experts from around the world.

Celebrate adventure and the memories of a lifetime 💕

From Australia's leading family well-being brand *Beautiful Minds™* in partnership with cricket superstar Marnus Labuschagne!

THE AGES OF 7-14 ARE THE MOST IMPORTANT OF OUR LIVES

It's where we go through big scary changes. Move in and out of friendship circles. And learn to understand our gifts and strengths.

So who better to help young boys navigate this tricky period than Mum?

This adventure is unlike any we've ever offered.

Hosted in tranquil locations.

No mobile phones. No technology. Just forever moments.

We'll focus on building mind-and-spirit, communication, and connection.

Mixed with Summer Camp classics like flying foxes, glamping, raft building, abseiling and campfires.

WHO IS MARNUS LASAGNE?

We've partnered with Marnus Labuschagne to bring Game Of Life to...errr life.

Marnus was one of the heroes of the 2024 Cricket World Cup Final won by Australia.

And was ranked the No.1 ranked player in the world last year.

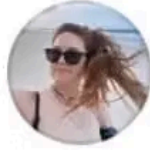

Most of all, Marnus is just a great human being.

He's humble. He's hard-working. He's married to his childhood sweetheart. Has a great circle of friends.

And he credits his Mum for his values and for giving him self-belief.

For us, he's the perfect ambassador.

Bonnie L.

This whole experience ignited my soul. I feel so grateful plus my son & I have made lifetime connections with some beautiful humans ✨❤️🙏
HIGHLY RECOMMEND 🙌

WHO ARE WE?

Beautiful Minds created Game Of Life.

Since 2003, we have supported the growth and development of over 1.6 million kids in the country and their families.

We are in 935 schools. And hold over 170 weekend workshops and retreats a year.

We have partnerships with Nestle, FujiFilm, NBCUniversal & The Huberman Lab for Neuroscience at Stanford University.

OUR EXPERTS

For the last five years, we have worked with some of the world's leading experts in well-being and development - Like Dr Andrew Huberman

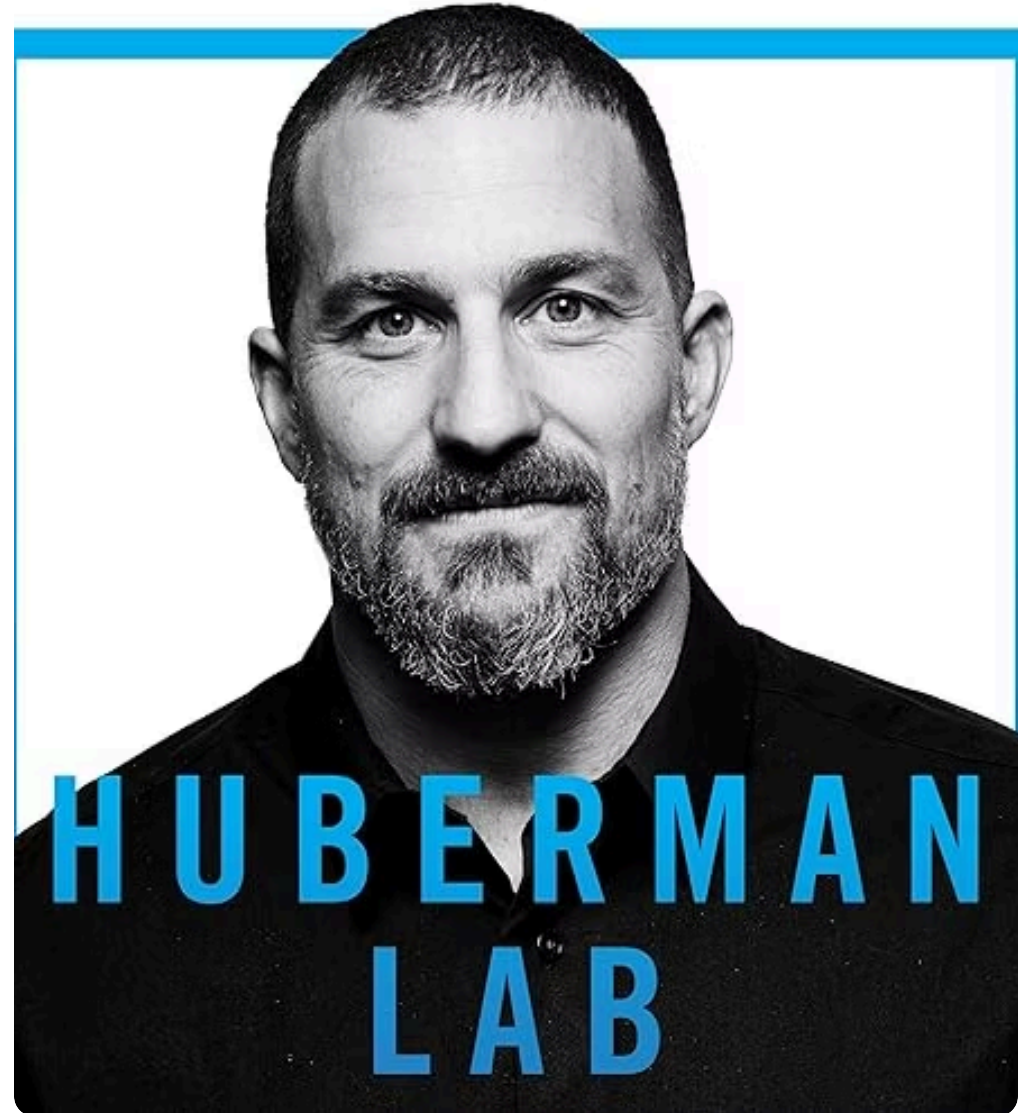

The tools and strategies in our camps help kids and families with:

Stress & Anxiety

Sleep issues

Motivation

Overall well-being

OUR CAMP VENUES

Our venue partners PGL have served Australian families since 1957.

At PGL, are a best-in-class group of professionals who live and breathe our purpose and values.

They provide the best school camps, holiday camps and group facilities in Australia.

ACCOMMODATION OPTIONS

Your accommodation is lodge-style with your own room. PGL camps host groups as diverse as corporate groups to professional AFL teams. So don't fear - you're not sleeping out in the wild here.

HOW LONG DO THEY GO FOR?

Our Game Of Life Camps are two night adventures. This gives our mums time to unwind and relax. No household chaos, no external noise. Just you and your boy.

FAQ

MY CHILD IS A FUSSY EATER - HELP!

We have seen everything. We cater for all food allergies and the meals are kid-friendly. When you book in you will be asked about food allergies.

DO YOU ACCEPT CHILD ON NDIS?

No. Our camps are not eligible for NDIS funding.

WHO ARE THE CAMPS BEST SUITED FOR?

Our camps are designed for families looking to inspire and motivate their children in a supportive and enriching environment. While we welcome all young people, our programs are tailored for children who do not require specialized care or intervention services, as we focus on personal development and joyful experiences for boys who are ready to explore new perspectives and build resilience.

PRICE?

Prices start at \$595 per person - this includes one mum and one son and all meals, accommodation, activities, coaches. Speak to us if you would like to bring more than one child.
